

19th May 2003

There will be a meeting of the Rural/Remote Communities DAT Association between 1.45 pm – 4pm on Wednesday, 28th May in the Terraces Hotel, Stirling. (a link of how to reach the venue is included in the covering email). A sandwich lunch will be served from 1pm.

In order for the meeting to be as productive as possible it would be extremely helpful if you could come prepared to share information on how your Action Team has addressed issues on training logistics/co-ordination and needs assessment work within your individual areas. The focus of the meeting will very much be on sharing good practice and identifying common issues or problems experienced at local team level.

I look forward to seeing you next week.

Justine Walker
National Officer
