

To: Members of Remote and Rural DAT Association sub-group

21st September 2004

There will be a meeting of the DAT Association Remote and Rural Communities Sub-group between **10am – 12.30pm, Council Chamber, New Viewforth, Pitt Terrace, Stirling** (email link attached for directions) **on Wednesday 29th September 2004**. A light buffet lunch will be available on conclusion of the meeting.

Liam Wells, chair of the sub-group, has (as part of the agenda) arranged a field visit to Callander McLaren Leisure Centre. Apparently this initiative is well worth a visit and has a number of interesting aspects of rural service provision addressing the needs of excluded young people, many of whom have alcohol and/or drug problems. Liam has organised a mini-bus to transport members between the council chambers and Callander. If you are planning on attending this meeting and have not informed Linda Bates, could you please do so as soon as possible.

Coffee will be available from 9.45am.
