

## **Forth Valley Substance Action Team**

### **Re - Provision of Drug Advice, Information & Support Service**

Forth Valley Health Board on behalf of FVSAT is inviting expressions of interest from suitably experienced organisations for the re-provision of a drug advice, information and support service for people in Forth Valley. This service will be expected to:

- Provide direct access to users, their friends and family from a range of suitable sites across Forth Valley
- Provide both drop-in sessions and booked appointments
- Employ suitably experienced staff to provide comprehensive assessments, time-limited support, relapse management and referral services aimed at helping people resolve drug problems and reduce drug related harm
- Work in partnership with existing providers and community groups.
- Maintain a high standard of service delivery throughout the Forth Valley area.

**This service is funded from Scottish Executive allocations to Clackmannanshire, Falkirk and Stirling Councils.**

**In the first instance interested parties should complete and submit an FET questionnaire**

For further information and a FET questionnaire please contact Marion Logan SAT Co-ordinator, Forth Valley SAT, FVHB, 33 Spittal Street, Stirling, FK8 1DX  
Tel 01786 457288 Email [marion.logan@fvhb.scot.nhs.uk](mailto:marion.logan@fvhb.scot.nhs.uk)

The deadline for receipt of completed FET questionnaires is Monday 18th October 2004

Suitable applicants will then be invited to submit a detailed tender.
