ABERDEEN
CITY COUNCIL

This Scottish Government (2008) defined recovery as a process which enables an individual to move-on towards a drug-free life. This conference explores some of the roads, their signposts, direction, chicanes, potholes and other hazards towards a more successful outcome. The Conference is useful to all Health and Social Services Professionals, Primary Health Care Teams, Educational Professionals, Voluntary Organisations and others involved in providing services to people with substance misuse problems.

For further information please contact:

Nicola Shand, Conference Secretary,

Fulton Clinic, Royal Cornhill Hospital, Aberdeen, AB25 2ZH
